Dear Julie,

Excess copies of GP, Pulse and Doctor

We understand that sessional GPs (salaried, freelance, locum etc) no longer receive regular copies of the above GP newspapers and that, by notifying you of the number of copies that we would **prefer** to receive, we will be both reducing wastage and enabling sessional GPs to receive copies more frequently.

I will therefore be grateful if you could change our supply of these newspapers to the following:

	Number currently received (if known)	Preferred number
GP/MIMS		
Pulse/Practitioner		
Doctor/Update		

Best wishes,

Yours sincerely,

Practice Manager
