~~Dear Dr Fieldhouse~~

Thank you for your letter of 15th May. Further to our discussions with Kate Ibbeson, I am pleased that you have invited BAMM to participate in the development of the Non-Principal Support Teams. BAMM would be very interested in becoming one of the partners of this development work and we would be happy to be involved in any future discussions you set up to review this project further.

Please do contact us when you are arranging meetings to discuss the NPST concept further.

Yours sincerely
